

The circle graph below shows how much of CO<sub>2</sub> each group sent into the air in Indiana. Use the graph to answer the questions.

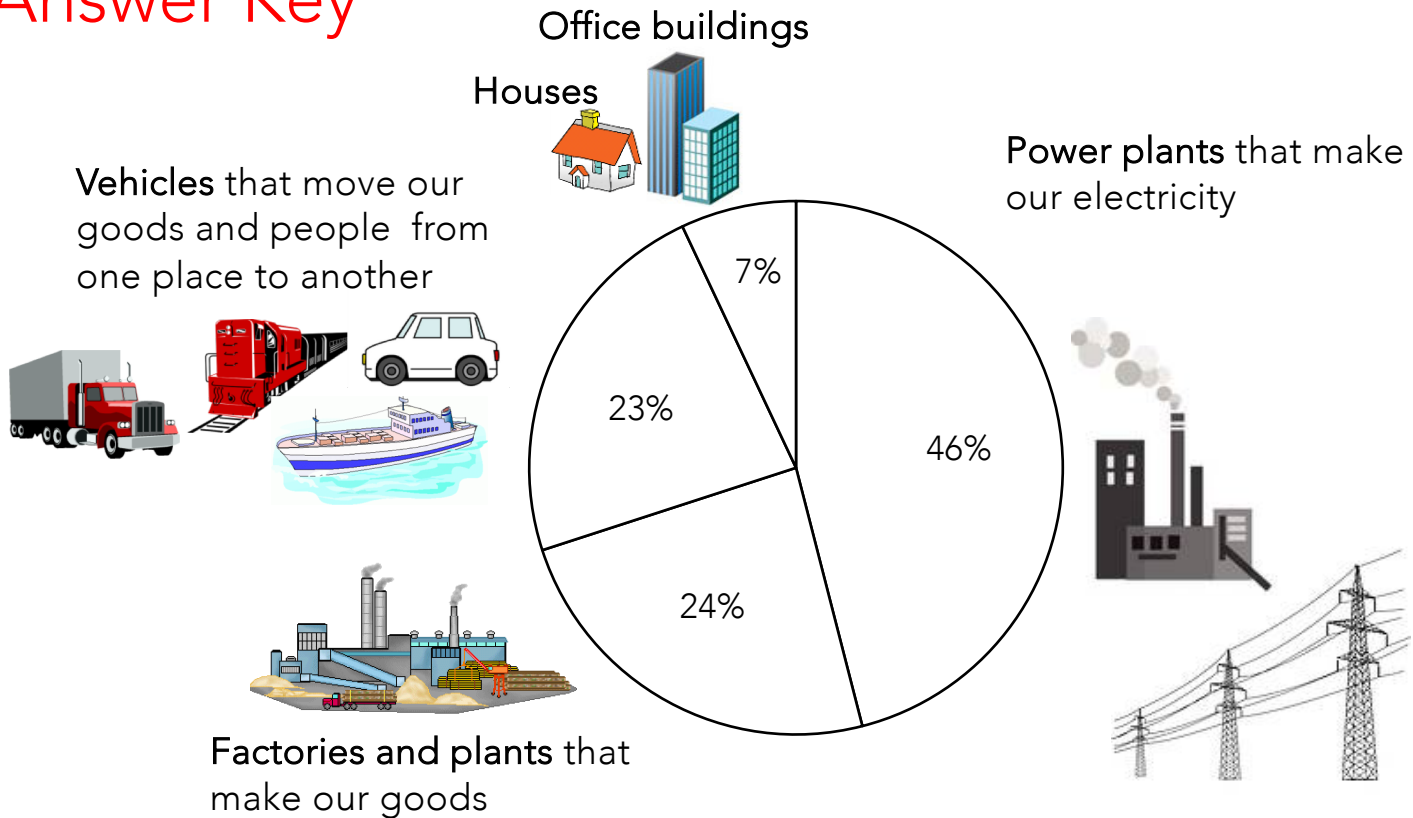

- ❖ Fill in the blanks. Find out the percentages of each sector. Change them to decimals and fractions.

	Percentage	Decimal	Fraction
Power plants	%		
Factories and plants	%		
Vehicles	%		
Office buildings and houses	%		

The circle graph below shows how much of CO<sub>2</sub> each group sent into the air in Indiana. Use the graph to answer the questions.

## Answer Key

- ❖ Fill in the blanks. Find out the percentages of each sector. Change them to decimals and fractions.

	Percentage	Decimal	Fraction
Power plants	46%	0.46	$\frac{23}{50}$
Factories and plants	24%	0.24	$\frac{6}{25}$
Vehicles	23%	0.23	$\frac{23}{100}$
Office buildings and houses	7%	0.07	$\frac{7}{100}$
